Detroit Axle Parts any good? - Blazer Forum - Chevy Blazer Dec 25, 2015 — Wondering if anyone has experience (good or bad) with Detroit Axle I know for sure moog is a china product, but there's another brand Stay away from "Detroit Axle" brand | Honda D Series Forum May 17, 2019 — Sold directly from Detroit Axle themselves. It was a Good thing I wasn't going fast and was able to back up into my driveway with it like that

Detroit axle vs moog Feb 15, 2019 — great marketing to make a name, poor quality in the real world. Buy Mopar, or even better Carli Suspension. Mopar311 , 02-25-2020 02: Detroit Axle (Formerly Dearborne Axle) - Car Enthusiasts the quality to be about the same as house branded AutoZone or Oreillys parts. I bought a set of CV axles from Detroit Axles on eBay.com. Looked to be good in quality, no issue with them for a year until I parted out the car
